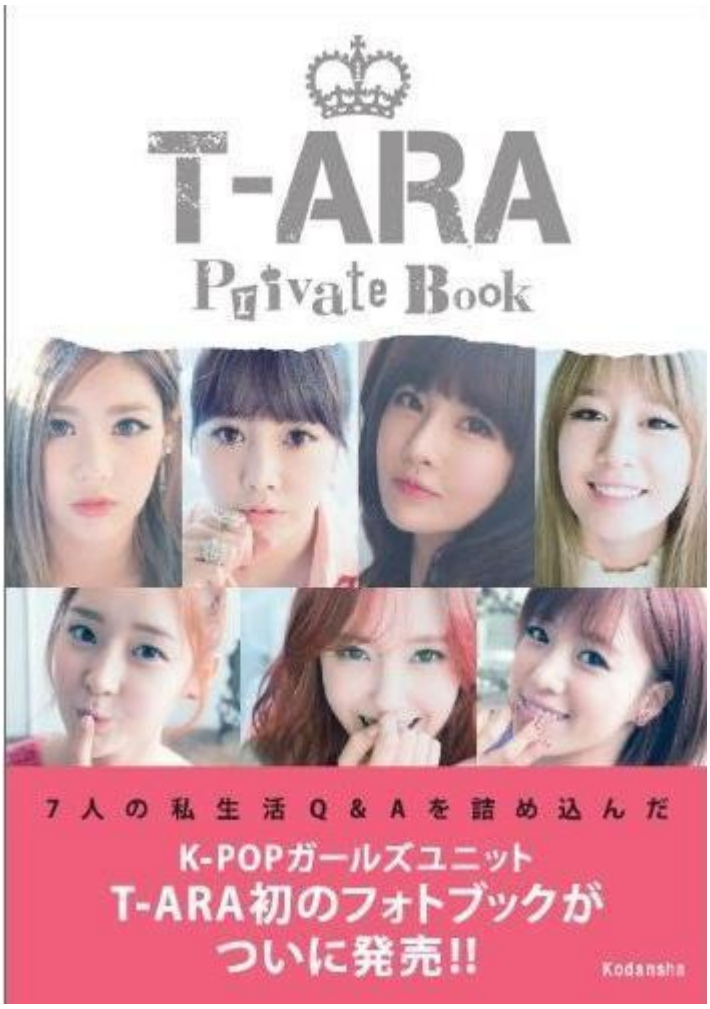
README:

-PLEASE BUY THE REAL BOOK! CLICK HERE TO BUY!



ADVICE

-“if column” is translated from Japanese to English directly without the aid of a Chinese translation, as a result there might be some mistranslated part. I apologize in advance.

-Scan quality is not very good in the middle part of the book, very sorry about that too.

-Contact me at Twitter @remixstew if you’re interested in making a version in your own language.
